_____ m.	_____	_____	£ _____	£ _____

The colour of natural linen and each printing can vary a little so please request a stock cutting before placing an order and return the cutting with your order. Please examine your fabric as soon as possible. We regret that we cannot accept the return of fabric once it has been cut. Notification of any problems must be made within 10 days

Please make cheques payable to Brocante Fabrics and write your cheque guarantee number and expiry date on the back of the cheque. If the fabric you have ordered is in stock it can be sent out within 10 days otherwise we will advise delivery date. Parcels will need to be signed for.

**Fabric care:** we recommend Dry Cleaning. If you choose to wash the fabric at your own risk, do so at a temperature not exceeding 30 deg. and allow to dry naturally. Do not tumble dry. Iron while damp. No fabric is completely stable and some movement is normal through changing humidity, dry cleaning or washing. When making up, allow for a 3-5 per cent shrinkage.
